

## Reference Design for the Site Formation cum Marine Works

### Drawing List

<u>Drawing No.</u>	<u>Drawing Title</u>	<u>Drawing No.</u>	<u>Drawing Title</u>
101	General : General Layout	531	Northern Transition Edge Structures : Quay - General Arrangement
102	General : General Layout - Quay for Edge Structures, Northern Transition Edge Structures and Southern Transition Edge Structures	532	Northern Transition Edge Structures : Quay - Piling Plan
		533	Northern Transition Edge Structures : Quay - Typical Piling Details
		534	Northern Transition Edge Structures : Quay - Typical Beam and Slab Sections
201	Site Investigation Location Plan	541	Northern Transition Edge Structures : Seawall - General Layout
202	Longitudinal Geological Section	542	Northern Transition Edge Structures : Seawall - Blockwork Wall Details (Sheet 1 of 2)
		543	Northern Transition Edge Structures : Seawall - Blockwork Wall Details (Sheet 2 of 2)
301	Dredging : Existing Seabed Level	601	Apron Area : General Arrangement (Sheet 1 of 7)
311	Dredging : Dredging Plan - Zone A and Zone B	602	Apron Area : General Arrangement (Sheet 2 of 7)
312	Dredging : Dredging Plan - Zone A, Zone B and Zone C	603	Apron Area : General Arrangement (Sheet 3 of 7)
321	Relocation of Marine Facilities	604	Apron Area : General Arrangement (Sheet 4 of 7)
322	Aids to Navigation	605	Apron Area : General Arrangement (Sheet 5 of 7)
		606	Apron Area : General Arrangement (Sheet 6 of 7)
401	Edge Structures : Quay - General Arrangement	607	Apron Area : General Arrangement (Sheet 7 of 7)
411	Edge Structures : Quay - Piling Plan (Sheet 1 of 2)	608	Apron Area : Access
412	Edge Structures : Quay - Piling Plan (Sheet 2 of 2)	609	Apron Area : Sewerage Layout
413	Edge Structures : Quay - Typical Piling Details (Sheet 1 of 2)	610	Apron Area : Water Supply Layout
414	Edge Structures : Quay - Typical Piling Details (Sheet 2 of 2)	611	Apron Area : Lighting and Power Supply Cable Layout
421	Edge Structures : Quay - Bays A & M Framing Plan (Sheet 1 of 5)		
422	Edge Structures : Quay - Bays B, C & D Framing Plan (Sheet 2 of 5)		
423	Edge Structures : Quay - Bays E, F & G Framing Plan (Sheet 3 of 5)		
424	Edge Structures : Quay - Bays H, I & J Framing Plan (Sheet 4 of 5)		
425	Edge Structures : Quay - Bays K & L Framing Plan (Sheet 5 of 5)		
426	Edge Structures : Quay - Typical Beam and Slab Sections		
431	Edge Structures : Quay - Typical Fender, Bollard and Ladder Details		
432	Edge Structures : Quay - Miscellaneous Concrete Details		
441	Edge Structures : Quay - Typical Utility Trough Arrangement		
442	Edge Structures : Quay - Utility Trough Sections and Details		
443	Edge Structures : Quay - Typical Utility Trough Details		
451	Edge Structures : Seawall - General Layout		
452	Edge Structures : Seawall - Blockwork Wall Details (Sheet 1 of 2)		
453	Edge Structures : Seawall - Blockwork Wall Details (Sheet 2 of 2)		
501	Southern Transition Edge Structures : Quay - General Arrangement		
502	Southern Transition Edge Structures : Quay - Piling Plan		
503	Southern Transition Edge Structures : Quay - Typical Piling Details		
504	Southern Transition Edge Structures : Quay - Typical Beam and Slab Sections		
511	Southern Transition Edge Structures : Seawall - General Layout		
512	Southern Transition Edge Structures : Seawall - Blockwork Wall Details (Sheet 1 of 2)		
513	Southern Transition Edge Structures : Seawall - Blockwork Wall Details (Sheet 2 of 2)
