Man Kam To [#]	7 689	3 014
Shenzhen Bay	43 241	22 776
Sha Tau Kok	4 405	1 862

Due to reconstruction works at the passenger clearance area of the Shenzhen side of the Man Kam To Control Point, clearance services for passengers at the control point had been suspended since February 22, 2010. Following completion of the works, the control point became fully operational again on August 26, 2013. The visitor arrivals listed above cover the period from August 26 to December 31, 2013.
