The system of Immigration Department captures relevant data on cruise vessels that berth at the Ocean Terminal in Tsim Sha Tsui, the Kwai Chung Container Terminals, the China Merchants Wharf in Kennedy Town and in Tseung Kwan O. However, the system is unable to filter only the data relevant to the Ocean Terminal. Given that a predominant majority of cruise vessels berthed at the Ocean Terminal, the figures in the above table are reasonable reference for the volume of visitors handled by the Ocean Terminal.

* Cruises without destination are excluded.
