

## Rooftop pyrotechnic displays and new soundtrack for "A Symphony of Lights"

\*\*\*\*\*

“A Symphony of Lights” will once again be enhanced with rooftop pyrotechnic displays from 26 to 28 November 2004 to complement the launch of the “2004 Hong Kong WinterFest”.

“A Symphony of Lights”, produced and delivered by the Tourism Commission in January this year, is now one of the “must-see” attractions of Hong Kong. In order to continuously inject new elements into this nightly Show with a view to sustaining its attractiveness, the Commission has invited the Hong Kong Tourism Board to develop a new piece of music for the Show. The new soundtrack will be used from 26 November onwards.

Rooftop pyrotechnics to enhance the Show from 26 to 28 November, sponsored by the Hong Kong Tourism Board, will be specially arranged to synchronize with the new soundtrack. The broadcasting arrangement along the Avenue of Stars is as follows:

26 November (Fri) English

27 November (Sat) Putonghua

28 November (Sun) Cantonese

Spectators may also listen to the soundtrack via radio by tuning in to FM 103.4 MHz (English), FM 106.8 MHz (Cantonese) or FM 107.9 MHz (Putonghua); or via their mobile phones by dialing 35-665-665 (English) or 35-665-668 (Putonghua).
