

“A Symphony of Lights” enhanced with pyrotechnic displays in Victoria Harbour from February 3 to 5

The brand new “A Symphony of Lights” was enhanced with pyrotechnic displays in the Victoria Harbour when it was launched last Christmas. The enhanced show was very well received by both visitors and locals. In response to the request of the tourism and related sectors, “A Symphony of Lights” will again be enhanced with pyrotechnic displays in the Victoria Harbour from February 3 to 5 (Friday to Sunday) to further enrich the festive programme during the Chinese New Year period.

The pyrotechnic displays for the aforesaid three consecutive nights are sponsored by the Hong Kong Tourism Board and can be seen from both the Hong Kong and Kowloon waterfront. The Promenade at Golden Bauhinia Square in Wan Chai is an ideal vantage point to watch the “waterfall” effect pyrotechnics discharged from the Marine Deck of the Hong Kong Cultural Centre.

To fully experience the magic of light and sound, the Tourism Commission recommends spectators to watch the show with the specially composed music. Apart from Avenue of Stars in Tsim Sha Tsui, a public address system has also been set up along the Promenade at Golden Bauhinia Square in Wan Chai to broadcast the synchronized soundtrack during show time every night.

The soundtrack of the show will be broadcast in different languages:

English on 3 February (Friday), Putonghua on 4 February (Saturday) and Cantonese on 5 February (Sunday).

The Tourism Commission also recommends that restaurants and hotels along the harbourfront may provide their customers with live broadcast of the soundtrack via radio by tuning in to FM 103.4 MHz (English), FM 106.8 MHz (Cantonese) or FM 107.9 MHz (Putonghua). Spectators may also listen to the soundtrack via their mobile phones by dialing 35-665-665 (English) or 35-665-668 (Putonghua).
