

“A Symphony of Lights” enhanced with pyrotechnic displays in Victoria Harbour

The Tourism Commission announces today (September 27) that “A Symphony of Lights”, which has been awarded The World’s Largest Permanent Light and Sound Show by Guinness World Records, will be enhanced with pyrotechnic displays on September 30 (Saturday), October 2 (Monday) and from October 6 to 8 (Friday, Saturday and Sunday) to further enhance visitors’ experience during the National Day Golden Week.

The above five newly-designed pyrotechnic displays produced by an overseas company will be staged in Victoria Harbour off the Avenue of Stars and Hong Kong Museum of Art.

The best vantage points for viewing “A Symphony of Lights” include the promenade at Golden Bauhinia Square in Wanchai, as well as Tsim Sha Tsui waterfront from the Avenue of Stars to the Hong Kong Cultural Centre. There will be on-site broadcast of the soundtrack of the show.

Spectators may also listen to the synchronized soundtrack via radio by tuning in to FM 103.4 MHz (English), FM 106.8 MHz (Cantonese) or FM 107.9 MHz (Putonghua); or via their mobile phones by dialing 35-665-665 (English) or 35-665-668 (Putonghua).
