

“A Symphony of Lights” enhanced with pyrotechnic displays in Victoria Harbour

The Tourism Commission announces today (February 15) that “A Symphony of Lights” will be enhanced with pyrotechnic displays in the harbour on February 20 and 21 (Tuesday and Wednesday) to further enhance the festive celebration programme during the Chinese New Year period.

The above two newly-designed pyrotechnic displays will be staged in Victoria Harbour off the Avenue of Stars and Hong Kong Museum of Art. The best vantage points for viewing “A Symphony of Lights” include the promenade at Golden Bauhinia Square in Wanchai, as well as Tsim Sha Tsui waterfront from the Avenue of Stars to the Hong Kong Cultural Centre. The soundtrack of the show will be broadcast in different languages: Putonghua on February 20 (Tuesday) and English on February 21 (Wednesday).

Spectators may also listen to the synchronized soundtrack via radio by tuning in to FM 103.4 MHz (English), FM 106.8 MHz (Cantonese) or FM 107.9 MHz (Putonghua); or via their mobile phones by dialing 35-665-665 (English) or 35-665-668 (Putonghua).

"A Symphony of Lights" has been awarded the world's "Largest Permanent Light and Sound Show" by Guinness World Records. This nightly spectacle combines interactive lights of 33 key buildings on both Hong Kong Island and Kowloon with musical effects to showcase the vibrancy and glamorous night vista of Victoria Harbour.
